HANDLING OF ANIMALS.

Section 2.132 (b)(1) - Handling of animals - During public exhibition there must be barriers with sufficient distance between the animal, and the general viewing public, so as to assure the safety of the animals and the public. At the time of inspection, there were not adequate barriers around the animal exhibits. Adequate barriers to prevent public contact with the animals need to be constructed. TO BE CORRECTED BY: Prior to next public tour.

Note : At the present time, no public tours are being conducted.

This inspection and exit interview conducted with [REDACTED] and Elizabeth Pannill, VMO and T. Jeff Chelf, ACI on 16 Mar. 2003.
